Media Rolls and Pads

Media Roll and Pads

Filter media is integral to the overall performance of the air handling unit and choosing the correct media can dramatically improve the pressure drop, efficiency, and life of the filtration system. RECO offers a variety of pre-cut pads and bulk media rolls for a cost effective way to optimally meet your filtration specifications.

- Available in polyester and fiberglass
- Available in 1/2", 1", and 2" thickness
- Available in other standard and special pre-cut sizes
